1.a.

Establish a Relationship Governance Team to develop and implement a process for managing corporate relationships and economic development activities across the campus community

A Relationship Governance Team (RGT) has been established and is comprised of key stakeholders across campus who have significant roles in outreach, serving internal and external groups in multiple ways. The RGT will meet throughout the 2023-24 academic year to develop and implement a process for managing corporate/community relationships, economic activities, and community engagement outreach. Prior to the first meeting, RGT members completed a survey to help guide initial discussions and create a current baseline
