BrainPOP Jr.'s video and related lessons and activities for graphing are one of the always-free subject lessons the site offers, regardless of your school's subscription status. The Brainpop Jr. content aligns with Math K.11, 1.12, 2.15, 3.15, and 4.14.

Thursday, May 16 is the 13th annual Global Accessibility Awareness Day. First launched in May 2012, the focus of \_\_\_\_\_ is to promote digital access and inclusion for people with disabilities and impairments. More than one billion people worldwide have impairments in vision, hearing, motor skills, and cognitive abilities and are often underserved by current digital products and services. By providing support, guidance, and resources, teachers can
