

In progress, but behind schedule. This strategy is one that is mentioned in the NACADA Consultant visit. Upon the creation of the Advising Task Force, the agenda items that will be addressed. Depending on the recommendations of the task force, there could be a significant increase in professional advisors which means Academic Affairs internal units. The advising task force will begin meeting on a regular basis. Joseph Ritchie

professional advisors/coaches for first year and second-year students

Enhance graduate-level advising to support students throughout their
